

A NEW LEVEL OF USABILITY!

THE JUICI ID-CT 21" TOUCHSCREEN MODEL OFFERS AN EVEN LARGER TOUCHSCREEN FOR A MODERN, ELEGANT LOOK! Thanks to the bigger display, the JUICI ID-CT 21" beverage dispenser ensures improved user-friendly, optimal interaction and a state-of-the-art user experience.

Especially in professional environments, such as fitness centres, the large screen enables more convenient operation and more efficient use in various applications.

- 4/6 drinks + chilled water
- Bag-in-Box concentrates are stored in existing furniture/base units (larger bags, e.g. 10 litres, are also possible)
- Multilingual flexible touchscreen display with the possibility to show images, videos and advertising on screen for direct communication with your customers
- 1 central drink exit with LED lighting
- Automatic cleaning and increased hygiene through airtight seal of concentrates
- Fully electronic control of concentrate dosage and output quantities
- Online monitoring (access to statistics, direct error messages and much more)
- Reliable and durable - high-quality materials, robust surface
- Customised design (logo engraved on the column) (optional)
- Perfect mixing result through patented MidMix® system
- Preparation for accounting (optional)
